I am happy to report that the Village and the Telecommunicators Union has agreed on a new Collective Bargaining Agreement. The contract covers the period of December 1, 2011 to November 30, 2015 with pay increases of **2%, 2.25%, 2.75%** and **3%**. The contract also includes an increase in health insurance premium cost to the employee to 8 ½% of the premium cost starting on December 1, 2012 and 10% of the premium cost on December 1, 2013 at which time they will receive a 1% hike in pay to help offset the increase. There was no additional time off given and as of January 1, 2013 any new hire who wishes to continue their participation in the Village's group health insurance program once they retire will be responsible for 100% of the premium payment. The Village will, however, contribute

1 ½% of the employee's base salary into a Retirement Health Savings account for those hired after January 1, 2013.
